RE: MUR 4972

Dear Mr. Valasquez:

I am in receipt of a complaint in the above referenced matter by the Federal Election Commission against Scott Taylor at 1365 Crafton Avenue, Mentone, California. This complaint was sent to me in error since I do not reside or work in Mentone, California. In fact, I am not the above referenced Scott Taylor but Scott Taylor of 23161 Ventura Blvd., Suite 100, Woodland Hills, California.

I have no formal or informal relationship with Darrel Issa or his campaign and have no information or familiarity with the allegations made in the February 9, 2000 letter of Bill Morrow.

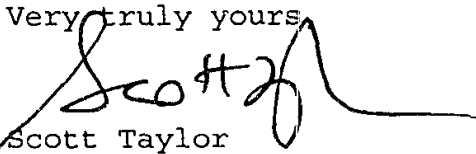

I have made no donations to "Bill Horn for Senate" either directly or indirectly and, in fact, am unfamiliar with his campaign or the campaign of Mr. Issa.

Finally, I am not "Scott Taylor, a professional political consultant", I am Scott Taylor, an attorney and have never worked in any capacity as a political consultant to any campaign.

If you have further questions regarding this claim which was sent to me in error, please contact my office immediately.

I have enclosed a copy of the documentation sent to my office for your reference.

Very truly yours,

  
Scott Taylor
